CALVANIC BELT! MAGNETUC TO

the Removal and Permanent Cure of all NERVOUS DISEASES

and of those Complaints which are caused by impaired, weakened or unhealthy condition of the NERVOUS SYSTEM. NIGRYOUS SYSKER.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNET-ISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most caluable medicinal discovery of the Age.

A Derangement of the Nervous System. 6G-In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weak-sned sufferer is restored to former health, strength, elasticity and vigor. lasticity and vigor.
The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

by onlines Garvanic Curatives, consists, in the fact that they arrest and cure disease by onlineard application, in place of the usual med of drugging and physicking the patient, till exhaust Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the Arctitation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than 60.000 Persons mcluding all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been ENTIRELY AND PERMANENTLY CURELY.

ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else here tried in vain?

To illustrate the use of the GALVANIO BEAT, suppose the case of a person afflicted with that base of civilization, DYSEPSIA, or any other Gliene is Nervous Disorder. In ordinary cases, stimulidate taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief which leave the patient in a lower state, and injured faculties, after the action thus excited heresed. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Bolt around the body, using the Magnetic Fluid as directed. In a short period the insonable perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FR.W. DAYS IS

Truth is stranger than Fiction." CURE OF Rheumatism, Bronchitis and Dyspepsia. REV. DR. LANDIS, A CLERGYMAN distinguished attai

Da. A. H. CHRISTIE—Dear Sir: You wish to know application of THE GALVANIC BELT AND NECK-LACE. My reply is as follows: application of THE GALVANIC BELT AND NECK.

LAUE. My reply is as follows:

For about theenty years I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About fourteens years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish Farther: in the winter of '46 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nereous system was new thoroughly prestrated, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole plasmacopous there seemed to be no remedial agent which could reach and recuperate my Nervous System; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try, the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC KLUID This was in June, 1846. To my GREAT ASTONISHMENT IN TWO DAYS MY DYSPEFSIA HAD GORE; IN SIGHT DAYS MY DAYS MY DYSPEFSIA HAD GORE; IN SIGHT DAYS MY DAYS MY DYSPEFSIA HAD GORE; IN SIGHT DAYS MY DAYS MY DYSPEFSIA HAD GORE; IN SIGHT DAYS MY DAYS MY DYSPEFSIA HAD GORE; IN SIGHT DAYS MY DAYS MY DYSPEFSIA HAD GORE; IN SIG
